

## TERMITES INFESTATION

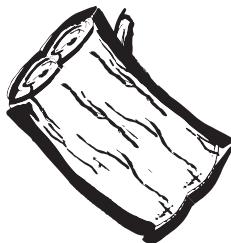

Unless cancelled by an Explosive Log (on this turn only), Termites will eat 1 log from the firepit on the next round, eating Big Logs first.

## TERMITES INFESTATION

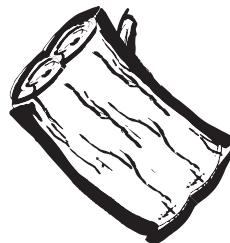

Unless cancelled by an Explosive Log (on this turn only), Termites will eat 1 log from the firepit on the next round, eating Big Logs first.

## BIG LOG!

This log is so big, it counts as 2 logs! It is always destroyed first by Termites, Beavers, and Explosive Logs.

## BIG LOG!

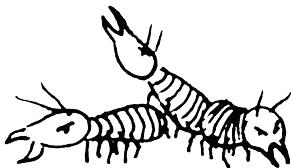

This log is so big, it counts as 2 logs! It is always destroyed first by Termites, Beavers, and Explosive Logs.

## PEST REPELLENT

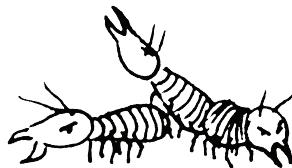

All Beavers and Termites played this round are cancelled. (This does not cancel Termite effects played the previous round.)
